

NESTLED IN THE HEART OF VICTORIA FALLS

The Hotel

Ilala Lodge Hotel is ideally located only 8 minute's walk from the spectacular Victoria Falls and is the closest hotel to the waterfall on the Zimbabwean side. Nestled in the heart of Victoria Falls, the hotel's location offers easy access to explore a plethora of historical sites, restaurants and activities on offer within the vibrant town centre.

- The hotel offers 73 contemporary and well-appointed rooms and suites, each boasting garden views and sights and sounds of the nearby Victoria Falls.
- The hotel's award-winning Cassia Restaurant is renowned for its delicious cuisine and extensive wine list, and is complimented by the sound of the rumble of the Falls in the background.
- Amenities include a beauty spa, conferencing facilities, two swimming pools (a large pool and plunge pool), poolside bar, poolside lounge, sunloungers and cabanas.
- The in-house tours desk offers a range of river cruises, guided falls tours, transfers and more.
- The family-run hotel is renowned for delivering leading Zimbabwean hospitality for over 30 years
